Republican Kevin Virgil endorses Ryan Melton

"I do respect his integrity, that he stands up for what he believes in. We do share a lot of common beliefs, and the issues that I believe are really plaguing the state today." - Kevin Virgil, Iowa Public Radio

Paid for by

Melton for Iowa

Kevin Virgil, Randy Feenstra's Republican primary opponent, crosses party lines to endorse Ryan Melton for Iowa's 4th Congressional District, citing the following:

- Opposition to eminent domain abuse-driven CO2 pipelines
- Opposition to the corporate capture in Iowa & D.C.
- Asking hard questions about lowa's sky-high cancer rates Ryan Melton refuses corporate PAC money, while Randy Feenstra's campaign is fueled by it. Feenstra has taken tens of thousands in donations from Bruce Rastetter, the main driver of the CO2 pipelines, and has been a vocal supporter of the project. It is time to come together across the political divide and bring the power back to the people.

Spencer Reporter begins Holiday Family Adoption for 2024

A Spencer-area holiday staple, the Holiday Family Adoption Program allows generous families, businesses and groups to share the holiday spirit and bounty by giving gifts to more needy families. Upper Des Moines Opportunities coordinates the program. The Spencer Reporter annually assists in promoting the needs of 60 families, and then Reporter employees help collect the items on consecutive Saturdays. There will be two drop-off opportunities, 9 a.m. until noon on both Saturday, Dec. 7, and Saturday, Dec. 14. The drop location will be The Depot Building on the Clay County Fairgrounds. All of those who adopted a family must drop off their gifts on one of these two dates. Placing the multiple gifts in a larger box helps to facilitate the delivery. On Sunday, Dec. 15, volunteer firemen, volunteers and UPS employees volunteering their time will deliver the gifts to families. To "adopt," call the paper at 712-262-6610, between 8 a.m. and 5 p.m. Monday through Thursday, to identify the family (by number) to adopt. It's a good idea to have several possibilities, as families may already have been selected. Then the fun begins. Shop for items on the list, wrap and label with the family number and member, for example, "Family 34, son, 10 years old." It is not necessary to purchase everything on the lists. New or very gently used items are accepted.

"My grandfather moved here in 1906, starting his family farm. Since then, my family has tried to build on what he started and create opportunities for our children to be a part of it. Good schools, hospitals, emergency services, community amenities – these are the things that my children experience and motivate them to stay close to home.

The economic benefits of the Red Rock Wind Energy Center will keep Dickinson County moving forward."
